Plumbing and Electrical work continues in the crawl space. A network of new plumbing & hydronic piping is being roughed in.

Preparation for windows is underway. The new walls will have thick insulation on the exterior, so the jambs are framed out.

The ceiling staining is complete and HVAC and Electrical conduits are being installed.

Insulation is being installed on the S side foundation wall

Subgrade insulation on the S side. The top 24" will be decorative Concrete Faced Insulation that will give a finished look to the visible foundation.
