DPAC Report: N/A – If there is a parent wanting to step in and be apart of those monthly meetings, either in person or via zoom and take notes to pass on to PAC that would be amazing! Sept 29th @6:00pm is the next meeting – Please reach out and let us know if you are willing to take this on.

Old Business: N/A

New Business:

- Photographer, Keepsake Photography, would be the most local person. Will reach out to her if she is willing, pricing, and packages. Digital Copies would be great to have; the school also needs to be able to have a copy for their data base. Also, the option of re-takes. Camus Photography Might be an option if Keepsake Photography can't.
- Taco Tuesday – Was concerned about the hot/cold food safe, as well as serving time. It was decided to keep the meat hot. We are now going to bag the salads for each group, and the server can just dump the rest of the ingredients together quickly into a bowl to serve. Also, the earlier food drop off time is working excellent.
- Grad Hoodies – 3 Grads this year, wanting to get the high-quality hoodies again, kids must pick the same design, but they get to pick out their colors. April will follow up with their choices. \$37.50 each plus \$8.00 for name, and then delivery. April motioned that PAC pays for them, Jenny Seconded.
- School bathroom renos are still ongoing but coming along very nicely.

Grants:

- BVCU usually donates \$1000.00
- Gaming Grant still to come in. \$2000.00
- Under the gaming grant it was brought up to have Norman Foote with Music Workshop and Puppets come back.

Misc.:

- PAC members to bring a few things to add to a bin for kiddos to play with during our meetings. Lego and Coloring being top ideas.

Meeting Adjourned: 4:26pm

Next Meeting: October 13th 3:30pm
