MESSAGE FROM THE PRINCIPAL

Last week, we came together as a school community for our Remembrance Day Assembly. It was wonderful to see so many families and community members join us. We are grateful to our students and staff for the learning and sharing that took place through poems, stories, and art-work. It is so important for our children to connect with the history of our country and to take a moment to recognize how fortunate we are to live in a beautiful place where we enjoy so many freedoms and opportunities.

We are also looking forward to sharing our first formal Learning Update of the year. Teachers are now working carefully to write comments based on the evidence they have gathered over the past few months. We know this is a significant task, and we want to thank them for their thoughtful work and dedication.

Staying Southside Strong,

Ginger Moyah

MRS. MOYAH IS LOOKING FOR SOME ITEMS AND HELPERS

Since it has been a few years since our oldest class has put on a play, I have been helping the 5/6/7 prepare one for our upcoming Christmas assembly during our Art classes. As drama fits perfectly within the art curriculum the students are learning a few new skills, but we are running low on time and are seeking the help of some parent volunteers.

Here is a list of items that we are looking for with the play, as well as some specific props and set design that we need help with:

- Old corded telephone
- Large clean pieces of cardboard (fridge or stove sized)
- Small couch or loveseat that is lightweight
- Someone willing to design and decorate a Christmas living room set on the back wall of the stage (students can assist)
- Stage decorators (students can assist)
- Multimedia support during the play (we have a projector during scenes that needs to be operated at certain times)
- Elf hats
- Reindeer hats
